Mindteck wins the 'Growing IT Services Company' Award from BMA

Bangalore, India/May 26, 2014: Mindteck (India) Limited [CIN NO. L30007KA1991PLC039702] and (BSE MINDTECK), a global technology company, today announced that it has been chosen as a winner in the Growing IT Services Company of the Year Award by Bangalore Management Association (BMA). The award was received on its 61st Anniversary Leadership Award ceremony held on 25th May 2014 in Bangalore.

Mindteck clearly stood out in the BMA Leadership Awards, a prestigious annual award that honors the growing Bangalore companies and business icons for their exemplary performance in their respective fields. The BMA Leadership Awards are a tribute to companies and individuals who have been instrumental in shaping the city as the hub of innovation and start-ups in IT, Bio Tech, Healthcare Education and Manufacturing.

"Mindteck is the only IT Company honored to be recognized by BMA for technical innovation, entrepreneurial spirit and growth, and that is a tribute to our employees, partners and clients.," said Yusuf Lanewala, Managing Director & Chairman, Mindteck. He further added that Mindteck has continually evolved and transformed its business strategy and applied its expertise in innovative technologies to drive growth and to meet client needs.

About Bangalore Management Association

BMA was founded in the year 1953 and has contributed significantly for the development of modern management practices in the state of Karnataka in particular and Nation as a whole. It is in the forefront among all the management associations under All India Management Association (AIMA) and is recognized as one of the best management associations in the country.
