MINDTECK SHOWCASES SMART STREET LIGHTING SOLUTION AT BANGALORE ITE.BIZ 2015

Summit focuses on the future of a connected India

Bengaluru, India – December 16, 2015: Mindteck (India) Limited (BSE: MINDTECK), a global technology company, showcased its Smart Street Lighting Solution at *Bangalore ITE.biz 2015*, Karnataka’s premier IT summit. The event was organised by the Government of Karnataka’s Department of Information Technology, Biotechnology and Science & Technology, along with STPI-Bangalore.

At the summit, Mindteck participated in the Smart City Solution Workshop organized by NASSCOM in partnership with the Government of Karnataka. It was attended by municipal commissioners of the shortlisted cities in Karnataka, senior members from urban local bodies, development authority officials, the Principal Secretaries of Urban Development and IT- Government of Karnataka, and other senior government officials.

Dr. K V Krishnan, Mindteck’s Vice President-IT Services, presented an overview of the company’s smart city solutions, and its Smart Street Lighting implementation for a UK-based utility company that has resulted in record reductions in energy consumption and CO2 emissions. “This solution has been a tremendous success, in that energy consumption has been significantly reduced from 50m kWh to 34m kWh. We hope to replicate similar energy efficiencies across India,” commented Yusuf Lanewala, Mindteck Chairman and Managing Director.
