

## **MINDTECK BECOMES SAP SERVICES PARTNER**

Enhanced SAP capabilities and solution collaboration assured

**Bangalore, India / May 9, 2012:** Mindteck (India) Limited (BSE: MDTK), a global product engineering and IT solutions company, recently announced that it has become a SAP partner under the SAP® PartnerEdge™ program. As such, Mindteck will have ready access to SAP organizations, expertise and stakeholders to more fully deliver on various SAP projects and engagements.

“This partnership reinforces and enhances our capability to execute SAP engagements, and opens up new opportunities to jointly collaborate and develop solutions geared toward addressing our customers’ changing business needs. We’re excited to renew our relationship with SAP and look forward to serving our clients better,” remarked Shivakumar Krishnamurthy, General Manager, IT Services at Mindteck.

SAP Services Partners focus on business solutions, typically providing consulting and systems integration services, along with support for evaluation, implementation and continuous improvement. Cross-industry end-to-end processes and frameworks, vertical-specific solutions and services collaboration, and access to enablement tools will help Mindteck improve and accelerate services while mitigating risk across all stages of the project life cycle.

Mindteck will continue to support SAP’s Global customer base on a number of engagements. These include services around all aspects of the SAP Solution with a focus on Enterprise Mobility, SAP Testing and Post implementation AMS work with SAP customers using solutions such as Sybase Unwired Platform (SUP), SAP TAO and SAP Solution Manager. Beyond providing horizontal ERP solutions, Mindteck’s SAP vertical-specific capabilities are focused in manufacturing, life sciences, utilities, hi-tech, banking and insurance.
