

FOR IMMEDIATE RELEASE

simplyPCI™ Named Preferred PCI Assessor by EVO

Enola, PA – August 14, 2009:

simplyPCI (powered by mindteck) was named as one of the few select groups of PCI assessors chosen by EVO to provide PCI validation services for their ISO Alliance Partners.

simplyPCI offers an easy-to-use compliance portal that enables ISOs and merchants to complete their PCI compliance process online. simplyPCI also offers strong support services for the compliance process.

Chris Bucolo, Head of Mindteck's PCI practice state that provider groups , including industry leading ISO's have already experienced the benefits of this program. It is designed to provide real assistance to ISO's, both on-line and through strong technical support. Most providers like to get compliance assistance by appointment, when it is convenient for them. The simplyPCI team strives to make the whole experience as easy and painless as possible.

Mindteck is listed as both a QSAC (Qualified Security Assessor Company) and an ASV (Approved Scanning Vendor) with the PCI Security Standards Council. www.simplyPCI.com

About simplyPCI™:

simplyPCI™, a unique program, offers solutions to the growing compliance challenges faced by the Payment Card Industry. The program aims to help organizations deal with the complexities of PCI compliance through an easy to use self-help compliance portal. The simplyPCI™ self-help portal is designed to assist merchants in selecting and completing the appropriate self assessment form required for a merchant to become PCI compliant. A comprehensive set of online help features allow merchants to sift through the clutter of technical terms. Additional help is available via email, chat or phone as needed. The simplyPCI™

brand is powered by Mindteck, a leading global Technology Services Company that delivers business and technology solutions to enterprises globally.
