FOR IMMEDIATE RELEASE

## **MINDTECK SHOWCASES SMART CITY SOLUTIONS AT WORKSHOP IN KOLKATA**

*Smart City Solutions Workshop jointly organized by the Government of West Bengal and NASSCOM*

**Bengaluru, India – November 2, 2015:** Mindteck (India) Limited (BSE: MINDTECK), a global technology company, was among the select group of technology companies invited to make presentations on Smart City related ICT solutions at the *Smart City Solutions Workshop* held in Kolkata on 29<sup>th</sup> October. The event was jointly organized by the Government of West Bengal and the global trade body NASSCOM. Attendees included Senior West Bengal Government dignitaries, urban development officials, as well as senior designates from NASSCOM.

Technology leader Dr. Pradeep V Desai, and Mr. Harish Nair, Mindteck’s VP Sales-IMEA, presented an overview of Mindteck’s smart city solutions featuring Smart Street Lighting and Smart Parking. The company’s Smart Street Lighting engagement resulted in record reductions in energy consumption and CO<sub>2</sub> emissions for a UK-based utility company. Their recently unveiled Smart Parking solution, for which they shared a demo, is an end-to-end solution providing a robust, reliable and cost-effective way to both detect and manage car parking occupancy. It uses field-mounted Wi-Fi IP-based cameras for both outdoor and indoor parking.

“I am both pleased and very proud that Mindteck was one of the select companies invited to participate in this workshop. We have worked hard to develop our smart city solutions portfolio and are passionate about helping government bodies and organizations learn how to build sustainable ways to utilize their resources efficiently and effectively”, commented Yusuf Lanewala, Mindteck Chairman and Managing Director.

*Other notable smart city work from Mindteck includes:*

- Implementation of statewide ERP-based E-Nagarpalika, a citizen-friendly local body that serves as a one-stop-shop for all e-governance solutions.
- Collaboration with University of California (Berkeley), Nanyang Technological University (NTU), and the National University of Singapore (NUS), in Singapore to build a world-class research model for building efficiency through an engagement with SinBerBEST, (Singapore-Berkeley Building Efficiency and Sustainability in the Tropics). [Click here to read more.](#)
- Smart Healthcare – collaborated on receiving FDA approval on a patient monitoring innovation for a medical device manufacturer.

### **About Mindteck (India) Limited**

Mindteck, a global technology company, provides Product Engineering solutions and Information Technology services to top-tier Fortune 100 companies, start-ups, leading universities and government entities worldwide. Its depth of knowledge and niche expertise in embedded systems and enterprise applications is complemented by dedicated Centers of Excellence in wireless design and storage testing. Mindteck has offices in the US, UK, Singapore, Malaysia, Netherlands, Germany, Bahrain and India, and four development centers: one each in the US and Singapore, and two in India (Kolkata and Bangalore). The company is listed on the Bombay Stock Exchange (BSE 517344) and is among a select group of global companies appraised at Maturity Level 5, Version 1.3 of the CMMI Institute's Capability Maturity Model Integration (CMMI). It is also a Founding Member of '[The Atlas online](#)' – an interactive tool that provides visualizations of growth opportunities for over one hundred countries worldwide – for the Center for International Development (CID) at Harvard University.
